

Celebrate International Women's Day 2014 with FITT in what promises to be the networking lunch event of the year!

The 2014 International Women's Day theme is **Inspiring Change** and what a wonderful theme to celebrate FITT's 25 year anniversary!

Join us and our panel of high profile female executives for a 2 course lunch at the inaugural IWD lunch in Melbourne, while we pose and answer questions around what has changed for women in ICT over the past 25 years and what is still left to achieve.

Register now to take advantage of early bird rates!
